Ondo State of Nigeria

**ONDO STATE EMISSION CONTROL SCHEME, SANDS
EXCAVATION CONTROL, SCRAP METALS REMOVAL
REGULATIONS, 2013**

THE COMMISSIONER, FOR THE PURPOSES OF ENVIRONMENTAL PROTECTION, IS EMPOWERED UNDER THE ENVIRONMENTAL PROTECTION AGENCY LAW OF ONDO STATE, 2006, TO MAKE REGULATIONS, PRESCRIBE ANY SPECIFIC REMOVAL METHODS, STATE CONTINGENCY PLANS, FINANCIAL RESPONSIBILITY LEVELS FOR OWNERS OR OPERATORS OF VESSELS, OR ONSHORE OR OFFSHORE FACILITIES, NOTICE AND REPORTING REQUIREMENTS, PENALTIES AND COMPENSATION AS HE MAY DETERMINE NECESSARY TO MINIMISE POLLUTION BY ANY HAZARDOUS SUBSTANCE.

THE COMMISSIONER IS EMPOWERED TO, BY REGULATIONS, PRESCRIBE STANDARDS FOR EFFLUENT LIMITATIONS, AIR QUALITY, ATMOSPHERIC PROTECTION AND CONTROL OF HAZARDOUS SUBSTANCES AND REMOVAL CONTROL METHODS.

1. In the exercise of the powers conferred on me by the Ondo State Environmental Protection Agency Law, Cap 50, Vol. 2, Laws of Ondo State, 2006, and all other

Enacted

Ondo State Emission Control Scheme, Sands Excavation Control and Scrap Metals Removal Regulations, 2013

powers enabling me in that behalf, I, Chief Sola Ebiseni, Commissioner of Environment and Mineral Resources, Ondo State, do hereby make the following Regulations.

Date of
Commence-
ment

2. These Regulations shall come into operation on the 26th day of July, 2013.

PART I

EMISSION CONTROL SCHEME

Prohibition of
Certain
Vehicles

3. (1). No person shall use within the State any vehicle whose emission level is not determined or whose emission is shown to exceed the permissible limits in a spot test or an initial test carried out by a Test Centre.
- (2). The permissible emission limits for the specified vehicle shall be as prescribed in Table A of the First Schedule.

Emission Test
Centre

4. There is hereby established in the State, Vehicle Emission Test Centres (hereinafter referred to as Test Centres)

Function of
Test Centres

5. The functions of the Test Centres shall include the inspection and certification of all categories of motorized and non-motorised combustion engines for gaseous emission control.

Condition for
Registration/
Sale of Vehicles

6. (1). As from the commencement of these Regulations, no person shall present or cause any vehicle to be registered by the State Licensing Authority or sold within the State unless such vehicle has undergone initial inspection and has been duly certified by a licensed Emission Test Centre.
- (2). A test Centre shall only issue Certificates of fitness in respect of vehicles which comply with the emission standards prescribed in Table A of the First Schedule to these Regulations.
- (3). After the initial inspection, every vehicle shall undergo periodic inspection at a Test Centre, at least once annually.
- (4). Without prejudice to the provisions of Regulation 3 above, Test Centres may also conduct from time to time, random roadside inspections on all vehicles in the State.
- (5). At every random inspection, the driver of a vehicle being inspected shall produce upon demand by the designated/authorised officers on duty, a copy of the latest fitness Certificate issued in respect of the vehicle by a Test Centre.
- (6). No application for renewal of registration of vehicle shall be made or granted in respect of any vehicle unless the Latest Fitness Certificate issued in respect of such vehicle is presented to the Registration authority.

Ondo State Emission Control Scheme, Sands Excavation Control and Scrap Metals Removal Regulations, 2013

- | | | |

Ondo State Emission Control Scheme, Sands Excavation Control and Scrap Metals Removal Regulations, 2013

Responsibilities
of Haulers

- polluting the environment.

(2). No vehicle shall be used to haul or convey sands and/or quarry products except between the hours of six o'clock in the morning and eight o'clock in the evening.

(3). Notwithstanding the provisions of Regulation 15.2, the Ministry may in writing extend the time specified in Regulation 15.2 above,

16. (1). No hauler of sands and/or quarry products shall drive his vehicle over or across green areas, beautification sites, a place of worship, shrine or reserved area or any other special place without the express permission of the person or persons that have control over the said places.

(2). Where a hauler violates, breaches or damages any portion of the road or appurtenances attached thereto, signboards, poles, or any other private property, the hauler shall be responsible for the restoration or remediation of the damages.

(3). Any person who hauls sand and or quarry products in a way that the contents spill commits an offence.

Haulage Fee

(4). Any person who is found to have violated Regulations 15 (1) and 16 (1), in addition to any other punishment imposed under these Regulation shall be responsible for the cleaning and removal of the spillage.

17. (1). There shall be imposed a road haulage fee of amounts specified in the Second Schedule to these Regulations on the sand and or quarry products carried within or transported from or into the State.

✱ (2). The fee shall be payable on each load or trips by any person carrying or transporting sands or quarry products in or through the State at the time of departure from the point of loading or of entry into the State.

(3). The fee shall be a debt due to the Government of Ondo State and recoverable as such by the Ministry from any person who is liable to pay the fee.

PART 3

Restriction on
Transportation
of Scrap

SCRAP METALS REMOVAL

18. (1). Except for the purposes of taking scrap metal to multiple user site, a person shall not transport scrap metals in the State unless he holds a carrier permit issued by the Ministry or its authorized agents or officials.

(2). Any person who contravenes Regulation 18(1) of these Regulations commits an offence and on conviction shall be liable to:

Ondo State Emission Control Scheme, Sands Excavation Control and Scrap Metals Removal Regulations, 2013

- (a) a fine of N50,000.00 or
(b) imprisonment for a term not exceeding 6 months or both such fine and imprisonment.
19. (1). No person shall deal in scrap metals or operate multiple-user site, or scrap metal depot anywhere in the State except with the written permit issued by the Ministry of Environment.
- (2). Multiple-user site shall not be located anywhere in Ondo State except by the approval of the Ministry.
- (3). Any person who contravenes either Regulations 19.1 and/or 19.2 of these Regulations commits an offence and on conviction shall be liable to a fine not exceeding N100,000.00 or imprisonment for a term not exceeding 12 months.
20. (1). No person shall search for, collect, gather, excavate, or otherwise deal in scrap metals for commercial purposes except between the hours of eight o'clock in the morning and six o'clock in the evening.
- (2). Any person who contravenes Regulation 20 (1) above commits an offence.
21. (1). No person shall deal in scrap metals with any person:
- (a) under the age of eighteen years, whether that person is acting or purporting to act on his own behalf or on behalf of any other person, unless that person is accompanied by a parent, grandparent or guardian;
- (b) who does not satisfy him as to his identity;
- (c) who is intoxicated, a drug addict, of unsound mind; or
- (d) who is known to have stolen or cannot explain satisfactorily how he gathered the scrap metal.
- (2). A person who contravenes Regulations 20 (1) and/or 21 (1) above commits an offence and on conviction shall be liable to:
- (a) a fine of N50,000.00 or
- (b) imprisonment for a term not exceeding 6 months or both such fine and imprisonment.
22. (1). There shall be imposed a road haulage fees of amounts specified in the Third Schedule to these Regulations on the scrap metals carried within or transported from or into the State.
- (2). The fee shall be payable on each load by any person carrying or transporting scrap metals in or through the State at the time of departure from the point of loading, or of entry into the State at any point he is found not to have paid the

prescribed fee.

Removal of
Wreckages

- (3). The fee shall be a debt due to the Government of Ondo State and recoverable as such by the Ministry from any person who is liable to pay the fee.

23. (1). The Ministry or any person or persons or authorized officers of the Ministry shall have powers to remove and dispose of any wreckage in any road, roadside or public place after one month of the wreck.

(2). No person shall remove any wreckage from any road, roadside or public place unless he has a written permission of the Ministry or proof of ownership of the wreckage.

Designation of
Scrap Metals as
Hazardous
Substances

24. For the purpose of these Regulations, all vehicular emissions, land excavation, sand and/or quarry products haulage, all scrap metals collected, exhumed, piled, gathered, packed in bales, drums or other containers, compressed scrap metals or bind or hold together by cordage, metal straps, canvas rope or other material in such a quantity that required to be move in any container, bowl, carrier, wheel barrow, motor cycle, bike or vehicle are hereby designated as hazardous.

Payment of
Fees to
Government
Account
Appointment
of Consultant

PART 4

PAYMENTS TO GOVERNMENT ACCOUNTS

25. The Commissioner shall prescribe the mode of payment and collection of all the fees under these Regulations which shall be paid into the appropriate account of the Government.

Receipt as
Evidence of
payment

26. The Commissioner may, by authority in writing, appoint any person or body to serve as a consultant for the purpose of collecting and remitting to the appropriate Government account or accounts, the fees mentioned under these Regulations.

Authority to
Demand for
Receipt
Power to
Arrest

27. Subject to the provisions of these Regulations, any person who pays any of the fees prescribed by these Regulations shall be entitled to a receipt as evidence of payment.

28. An authorized Officer of the State in that behalf or a member of the Nigerian Police Force may demand without prior notice evidence of payment of the fees under these Regulations.

Variation of
Fee

29. An authorised Officer of the Ondo State Task Force, a member of the Nigerian Police Force not below the rank of a Corporal or a member of Nigeria Security and Civil Defence Corp may arrest without warrant any person who violates any of the provisions of these Regulations.

General
Offence and
Punishment

30. The Commissioner may, in consultation with the Board of Internal Revenue, in writing, vary any rate or fee specified in the Schedules to these Regulations.
31. Any person who violates any of the provisions of these Regulations commits an offence and on conviction, where no special punishment is specified, shall be liable to:

Ondo State Emission Control Scheme, Sands Excavation Control and Scrap Metal Removal Regulations, 2013

- (a) a fine not less than N50,000.00 or
(b) imprisonment for a term not less than three months but not exceeding one year or,
(c) both such fine and imprisonment.

Provided that nothing in these Regulations shall be construed to exempt the convict from making compulsory payment of his outstanding.

32. (1) Any person who hinders or obstructs an authorised Officer or officers, person, body or a member of the Nigerian Police Force in the performance of his duty under these Regulations commits an offence and on conviction shall be liable to a fine not exceeding N100,000.00 or imprisonment for a term of not exceeding 12 months.

(2) Any person who procures, protects or hide a person suspected to have committed an offence under these Regulations, or prevents the arrest or detention of such a suspect commits an offence and is liable on conviction to imprisonment for a period not less than one month without an option of fine.

33. The Mobile Court in the State shall have original jurisdiction to try offences arising under the provisions of these Regulations.

34. In these Regulations, unless the context otherwise requires:

"Authorised officer" means an officer duly delegated by the Ministry to enforce the provisions of these Regulations;

"Commissioner" means the Commissioner of the State in charge of Environment and/or Mineral Resources;

"Fee" means any of the fee imposed by these Regulations;

"Ministry" means the Ministry of Environment and/or Mineral Resources;

"Mobile Court"; means the Mobile Court established by the Ondo State Mobile Court Law, Cap. 94, Vol. 3, Laws of Ondo State of Nigeria, 2006, or Magistrates Court established by the law.

"Multiple-user site" means a site being used for the gathering, sorting, processing and loading of scrap metal that is to be transported, either approved or not by the Ministry or any other government agency;

"Operator" means the owner or person in charge or responsible for the operation of a scrap metals storage facility;

Ondo State Emission Control Scheme, Sands Excavation Control and Scrap Metals Removal Regulations, 2013

"Person" includes a corporate entity and an employee of same;

"Receipt" means the receipt issued by the Ministry, its agents or representative in respect of any fee paid under these Regulations;

"Road" means all roads, freeway, motorway, path, street, highway, thoroughfares, boulevard, lane-etc, either tarred or otherwise, within the state;

"Scrap metal"

(a) includes any old metal, second-hand metal, discarded metal, broken metal, defaced or old metal goods (including machinery and plant), whether wholly or partly manufactured whether ferrous, non-ferrous, or ferro-alloyed, whether iron, aluminum, copper or any material made partly of metal, iron, aluminum, copper or any similar substance;

(b) disused, worn-out, damaged, waste and broken electronics, appliance, kitchen utensil, toys, machines and machineries.

"Scrap metals storage facility" means any premises in which scrap metal is collected, sorted, processed, received or stored;

"State" means Ondo State of Nigeria;

"Vehicle" means a mechanically propelled carriage intended or adapted for use on roads and includes motorcycles and tricycles.

Citation 35. These Regulations may be cited as the Ondo State Emission, Sands Excavation and Scrap Metals Control Regulations, 2013.

Date of Enactment Made at Akure this 26th day of July, 2013.
