## Welcome to Royale®

Royale is a 100% Filipino-owned corporation established in 2006. From its headquarters in Quezon City, Philippines, the company is continually changing the landscape as we know it – from its expansion of branches throughout key cities in the country to international hotspots in the cities of Taipei, Singapore, Dubai, Abu Dhabi, Qatar, Nigeria and London.

With pillars of industry leaders backed by years of experience and expertise in Finance and Marketing, the company stands tall as a major player in the industry, offering its wide spectrum of FDA-approved health, wellness and beauty products.

Royale as a Brand is synonymous with innovation and modern. From the packaging to the over-all impeccable quality and service, Royale products are superlative in all aspects. Its success in the local and international markets is a glaring declaration of this feat.

The business model of Royale is now the benchmark of Filipino-owned corporations who want to expand their operations worldwide. This pursuit requires more than hard work, but rather, it calls for continuous dedication to excellence and a pragmatic understanding of large-scale multi-national operations. More importantly, a management with keen business sense, acumen and diligence of the highest level is required.

### MAKING AN IMPACT

Royale Distributors, aptly called Royalistas, are truly the bloodline of the company's continual success. They are trained to do the business with a philosophy that runs in their veins: "Helping People is Our Way of Life." Royalistas are driven by their passion to introduce topnotch products and service that they believe will change the lives of people the way it has changed theirs.

Since 2009, Royale is giving its distributors international travel incentives to premium travel destinations not only throughout Asia but to places like the glamorous Europe-Spain, France, Switzerland, Italy, Netherlands and many others. Royalistas were also awarded a relaxing and invigorating trip to Brazil in South America, Cape Town and Johannesburg in South Africa, Hawaii, California, Nevada in North America, Turkey and Russia.

Not only is the company making an impact in the business scene, but Royale definitely marks a spot in giving what the hardworking Filipino really deserves.

### RAISING THE BAR

Royale continues to drive for excellence in all the facets of its operations: world – class products and services, state-of-the-art technology in research and development, establishment of branches here and abroad—these components will seal a resounding statement that the Filipino entrepreneur can be at par with, if not better than, our foreign counterparts.

We invite you, with joy and excitement, to join us and experience the Royale experience. Let us be the beacons of hope and encouragement to our fellowmen who are searching for what we are all worthy of: a globally – competitive company that will bring effective and efficient professional and financial opportunities to everyone.

Welcome to your road to success. Welcome to Royale!

"Best food for the future"

-United Nations

Being the World's Richest Whole Food, **SPIRULINA** contains the following essential nutritional content:

**SPIRULINA** (Arthrospira Platensis)

**Spirulina** is a microscopic blue-green algae whose cells form the shape of a perfect spiral coil (thus, the name Spirulina, or little spiral). It contains the most remarkable concentration of functional nutrients ever known in any food, plant, grain or herb.

#### WHO SHOULD TAKE SPIRULINA?

1. Children with inadequate vegetable intake.
2. Teenagers who require extra nutrition during their rapid growing years.
3. Pregnant women who need balanced nutrition.
4. Elderly people who have limited dietary options yet require a wide spectrum of nutrients to maintain optimum health. It is also very easy to digest.
5. Athletes - because it provides energy and improves stamina.
6. People with ailments or those who are recuperating from diseases who need proper nourishment for fast recovery (please consult your doctor).
7. Busy people who don't have the time to eat balanced meals and rely heavily on "fast" and processed foods instead.
8. Vegetarians who must acquire protein from vegetables.

Beauty. Health. Opportunity. Wealth.

The proper balance of natural food supplements and minerals in our body is a vital factor in our health and wellness. Thus, the proper way to maintain that balance is through good nutrition and right diet.

In order to supplement what might be missing in our diet, Royale launched a HEALTH and WELLNESS AWARENESS CAMPAIGN to give its consumers a comprehensive knowledge about natural food supplements, the important factors to consider before taking these supplements, when and how to take it, what it can do for our health and wellness, how to check which are really good for our body, its adverse effects if any, and which distributors that proliferate in the market are honest in telling the truth about their products.

In choosing Royale Health and Wellness Products, you adopt a healthy lifestyle that gives your body the chance to function at its fullest. When you are healthier, you are more productive and you feel better about yourself. Focusing on a healthy lifestyle also ensures that your body is being taken care of. As long as you continue to use Royale Health and Wellness Products, these things are certain: you will LIVE WELL, FEEL WELL, SAVE and EARN WELL!

DISCLAIMER: Do not take our word for it. You may consult your physician or health and wellness adviser before taking any of our health supplements.
